

PRMT recycling material cart

A handy and ergonomic cart for moving recycling bins. Can easily be positioned underneath or next to a packing bench. The angle of the bins can be adjusted to improve usability. The trolley has four swivel castors, two of which have brakes. Single-bin and double-bin models are available.

- A powder-coated (light grey, RAL 7035) steel frame trolley
- Depending on the model, holds one or two plastic recycling bins
- The angle of the bins can be adjusted
- Four swivel castors (ø 4"), two with brakes
