

## Concept Ergo workbench

The ergonomic and versatile Concept Ergo workbench can be flexibly adapted to meet the needs of industrial working environments. Multiple sizes and combinations are available. The height can be adjusted electrically (electric height adjustment) or manually (with Allen key). The Concept Ergo workbench model has the widest range of accessories on the market. Suitable virtually to any environment, application and industry, from electronics and luxury item manufacturing to medical equipment suppliers (cleanroom suitability ISO class 7). Can be accessorized for use in laboratories, packing, fulfillment, assembly, testing or quality assurance functions.

### Benefits of Ordering a Concept Ergo Workbench

- An ergonomic and versatile industrial workbench: workstation can be updated when tasks change over the years.
- Functional design and modularity: markets largest selection of modular accessories, over 500 accessories available.
- Height adjustment electrically (electric motor height adjustment) or with Allen key
- Hand crank version available in previous Concept design
- Very stable, with a steel frame, maximum load capacity 1100 lbs
- The frame, tabletop, and accessories are available with ESD protection.
- Custom solutions: such as corner and extension solutions available upon request
